## OCTOBER 3, 2009 NPD ALL GM CAR SHOW

What a great car show and it was FREE. Larry & I arrived Thursday night so that we could see NPD's 150 collector cars at their museum. We ended up doing the all GM cruise to Cedar Key for lunch via the back roads in Ocala's horse farms. Bill & Carolina joined us Friday evening and early to bed. Saturday we joined 150 other Corvette and plus another 800 + GM cars at Silver Springs. It's a awesome car show. We viewed most of the cars before setting out on the four boat rides, outback ride, and lots of other attractions at the park. We had a great time. Afterwards, we had dinner at Olive Garden and stuffed ourselves before turning in for the evening. Sunday, we did a flea market (Bill didn't buy anything this trip) and then we went to Russell Stover's Candy Store for more goodies. The prices were up so we really didn't buy too much this time. The weather was great and so was the company. We really enjoyed this car show. After all, it was FREE.

## PALM BEACH COUNTY SHERIFF'S OFFICE CLASSIC CAR SHOW OCTOBER 10, 2009

We had a great time. 11 club members participated in the Sheriff's Office classic Car Show. Several members met for breakfast at 7:00AM at Cracker Barrel off of SW 10<sup>th</sup> St and I-95 and then we caravanned up to the car show. It was 96 degrees out and boy was it hot. In fact, it was so hot after we looked at all the classic cars that my face melted, my boobs sagged and my butt fell! Finally we decided to just stay inside the museum where is A/C was instead of sitting outside with our cars. We all ended up eating lunch that was set up outside of hamburgers, pulled pork, and hot dogs. Several of us had enough of the heat and we left at 12:30PM. JUST TOO HOT!

## OUR NEW ADDITION CASEY

Here he is, our sweet little Casey.  
Birth: 8/1/2009  
Weight: 2.2 lbs. @ 11 weeks  
Vet says, he may get to 7.10 lbs, but I have a feeling he'll be closer to 7 lbs.  
We love him already!  
He's such a good little boy.  
He is looking forward to his first car show in the Keys next month.
