## FT. MYERS CORVETTES ON THE GULF JANUARY 4<sup>TH</sup>, 2009

The trip to Ft Myers was superb. After a quick breakfast (if you want to call it that) at the 84 Diner, we headed across Alligator Alley and arrived at 10:00. There were cars all over the place, so we got to park in the middle of one of the aisles. Then the cleaning frenzy began. As usual the guys did most of the work but Tom actually let Penny help and Bill let Carolina help. We may be on to something here.....maybe some day the guys can watch the gals do the work?? (fat chance). Anyway, it was a terrific day. There were some awesome cars and everybody had a great time. Trophy's were awarded to Howard & Donna, Tom & Penny, Herb & Mickey and Bill & Carolina (Herb had to accept as they were "cooling off inside" and nowhere to be found when they were called. Too bad the Dolphins didn't have as good a day as we did. Sorry Joe and Tony....there's always next year.

Herb

## RENEGADE CORVETTE CLUB JANUARY 11, 2009

The Renegade Car Show held on Sunday Jan.11<sup>th</sup> turned out to be very nice. Many of our members met at Lester's at 7:15 AM for breakfast followed by a short ride to the show held at Ed Morse on Sunrise Blvd. The turn out was over 185 Corvettes and open cars. Our club cars were parked in a prime location on the circle. The weather was excellent. The Renegade club did a fine job of conducting the show. The production of the show was done by Jump in Jack Flash and his crew. The judging of the cars left a lot of disgruntled participants. It was reported that a number of cars were passed up and not judged at all. A giveaway of prizes was included as well as a 50-50 drawing. A few vendors also were on hand. Food was prepared on the barbeque as well as drinks. The trophies presented to the winners were plaques. A few of our club members were awarded these plaques. The day was enjoyable on the whole and ended around 5:00PM.

**AMERICA'S CORVETTE CLUB  
REFLECTIONS IN GLASS 26  
JANUARY 17, 2009**

What a spectacular Day!!!  
Everyone worked together to make this show the best ever. All the cars, the beautiful weather, and beautiful people. We couldn't have asked for anything more!!!

Susan & Larry Bingaman

Hi—there are no words that can explain our show but spectacular. It is the greatest show put on in Florida with the greatest club members of any club.

Penny Todaro

Our 2009 Car show held on January 17<sup>th</sup> was a huge success. Bigger and better. We gathered over 250 cars which included 232 registered Corvettes and GM cars.

The day's weather was perfect and the crowd loved the show. The judging went off without a hitch thanks to Larry Dudley and his crew.

The music terrific as always thanks to Scott "The Music man." Our silent auction another success. Almost everything sold. The 50/50 was another record breaking day with over \$1,300. to the winner.

Thanks to all our committee chairpersons and their team members everything went off as planned and a perfect job done by all.

We have set our date for next year's show to take place on Saturday, January 16, 2010. My sincere thanks and appreciation to all our members for a fantastic job.

Joe Cutroni, President

**NCRS FLORIDA WINDER REGIONAL  
JANUARY 21<sup>ST</sup> TO 24<sup>TH</sup>, 2009**

It was another great cruise to the NCRS car show with Bill and Carolina. The four of us took Bill's van up to this show.

We ran in Steve & Ann Torp, who were judges for the NCRS cars. We also ran into Karsten & Anneliese Schulze looking for "great buy's."

We had dinner with Tommy Keen & his friend Tim at the All you can eat Lobster Fest and the night before at a steak house.

The show was very sparse this year and a lot of the venders were not there. It is getting smaller and smaller every year. The cars that were for sale were over priced and you could get better deals at the auction which was ten miles down the road.

We did have a great time though and the weather was just right .
