FESTIVAL FLEA MARKET

The first thing about the Festival Flea Market Car show was the weather. It was absolutely great. We should only be so lucky for our show.

The final count on cars was 714 of which we had 16 cars from our club show up. For the \$20.00 entering fee, where else can you get back \$35.00 in goodies!

Arnie Miller won the trophy for our club. I would like to have Judy's eyes checked out, as this was the second time she pulled Arnie's name out of the hat.

Barbara brought her new 07 convertible with power top. Don't know the name of the color, but with dark red, beige interior and top, the combination was perfect. Best of luck with your new baby.

After the show, 14 of us went to dinner at Olive Garden, and here again, you could not have asked for a better evening with good friends.

CHRISTMAS PARTY @ INVERRY COUNTRY CLUB

It seems from all the comments I received at last night's Holiday Party held at the Inverrary Country Club, the majority of those that attended were very pleased with the food and the service provided. The cocktail hour from 6:30-7:30PM was very good as was the main dinner. There were no problems with the correct dinner selection with the use of the place cards that insured each person was served their correct entrée. The evening progressed with a great gift exchange via the 'Chinese' auction. Thanks to Tom Johnson for an outstanding job of directing this fun gift exchange.

The evening concluded with the give away of the centerpieces followed by dessert & coffee. Lots of laughs, especially the 3 Amigos wearing the funny shoes. My sincere thanks to all those who attended and participated in the gift exchange and Toys for Tots. Many thanks to Donna, Howard, Peggy & Tom for assisting with decorations and setup of the party room. We look forward to another holiday party next year, possibly at the same place – or at any other suggested locations. Your input and comments are greatly appreciated. Thanks for a great evening.

Regards to all,
 Joe Cutroni, President
