ACC PICNIC PICTURES

Good Day to all my fellow ACC members,

First let me take the opportunity to thank every member attending Thursday night's social meeting at Champps Restaurant. I am sure, over the past few days, you have had the opportunity to reflect on and digest our special announcement - America's Corvette Club has a new and exciting club sponsor - Maroone Chevrolet of Ft. Lauderdale. The decision to leave Lou Bachrodt Chevrolet after 25 years of sponsorship took a bold decision by the Board of Directors. It was exciting that such a well-known & distinguished company as Maroone thought ACC was worthy of their offer to become our new sponsor. I mostly give Herb Jacobson considerable credit for all of his hard work & dedication in helping bring this to a reality. As mentioned, Herb & I spent considerable time mapping a plan with the folks from Maroone. There are so many positives to our club making and approving this new venture.

First and foremost, we will again hold our annual car show at a dealership. Our monthly business meetings will be held in a spacious, well-lit, well-air conditioned meeting room which can easily hold 100 people or more. There will be ample tables & chairs to seat all of our members. Their beautiful showroom already has our new club banner hung on the wall in prominent view as you enter the showroom. The folks at Maroone had the banner hung early Friday morning and it looks terrific. There will be ample parking for our Vettes and family cars in a designated area. We are working with Maroone to link our websites together. We will have a dedicated liaison member of Maroone's team - Charlie Strickland. We will be receiving a 15% discount on parts and labor through the dealership as well as special pricing to all ACC members on new and used vehicles purchased. ACC & Maroone will grow together. We look forward to a long and distinguished relationship with our new partners. These are only a few of the highlights. We will discuss others in the coming month ahead.

Please be sure to mark your calendar with a change of date for our 1st meeting in June. We will hold that business meeting at Maroone Chevrolet on Thursday evening June 10th, 2010. The prior scheduled meeting of June 3rd is cancelled. **The new meeting dates for June are now June 10th (business) and June 24th (social).** The location of Maroone Chevrolet is 1300 N. Federal Hwy., Ft. Lauderdale 954-567-7000. It is just north of Sunrise Blvd. and south of Oakland Park Blvd.

I look forward to seeing all of our members for our 1st meeting at our new sponsor's dealership on June 10th.

Enjoy the rest of your day.

Regards,

Joe Cutroni
President
America's Corvette Club
