**NPD SILVER SPRINGS SHOW
OCTOBER 2, 2010**

Howard has a sign up sheet and flyers for the NPD Silver Springs Show. It is an open car show and if you can spare the time and want to stay an extra day, plan on arriving Thursday, September 30th.

On Friday, October 1st, there will be a cruise through Ocala's horse farm country to Cedar Key from the NPD warehouse. After lunch in Cedar Key and shopping, travel back to peruse NPD's private car and truck collection.

The car show is Saturday, October 2nd from 10-5PM. You can register from 7-10AM and you won't be able to get in after 10AM. If you haven't yet registered, you will have to pay \$21.00 day of show as all 500 free entries are gone. It is still a bargain as registration includes park entry for 2 people which is normally \$34.99 per person.

THE END

Well, it looks like we had another successful social evening on Thursday August 19. Thanks to Charlie and his associate Joe from Maroone, we were invited to a great dinner and a chance to win a Corvette at the Seminole Coconut Creek Casino. We had a great showing of 18 cars and 45 people. We assembled in the parking lot where we had a dedicated area roped off for our cars. The restaurant manger had reserved 40 seats for us, but that wasn't enough. We had overflow seating for a few extra people. The buffet was amazing. There was something for everyone and almost everybody commented on how good the food was. After we stuffed ourselves, it was off the "tent" for a really spectacular Billy Joel tribute concert. Actually, it was more like a Billy Joel, Elton John, Led Zeppelin, Journey tribute concert. The band was terrific and all that went had a great time. They had a special game contest from 9-11 PM. If they drew your name (I don't think anybody in the Club had theirs drawn), you had the opportunity to play 3 games. If you won the 1st, you would advance to the next or they would make a monetary offer to not play. It really was simple, but too difficult to explain, but it was fun anyway. As of 10 PM, nobody won the Corvette. Most of us left by 10 and a few stayed on to lose some money. All in all, a great time.
