REFLECTIONS IN GLASS

January 22, 2011

Time flies. We worked very hard for months on our show and in the blink of an eye, it's over and gone.

Nobody, let alone myself, can give enough praise to our members who worked many tireless hours and gave up sleep to put on this show and make it the success that it turned out to be.

The weather gods did not shine down upon us as we would have liked, but it turned out not to be so bad after all.

We ended up with 154 cars in attendance, and for the most part, everyone I talked to said that they were very pleased with our first show at the new dealership.

With a lot of firsts, I think we did great. The dealership gave us tremendous praise on the job we did and with the way the show ended up, and already they are talking about next years show.

We had approximately 175 items on the silent auction table, thank you for your generosity, and the sales were just fine. We got rid of a lot of things I thought would not sell and we did quite well with what we had. The women who worked the tables did a wonderful job, everything went very smooth and easy.

Penny and her crew did a great job on the 50/50. I don't know the final count but I heard the figure of \$1400. going around with time left.

Unfortunately the bus did not show so we lost a couple of hundred of dollars there and because of the weather we did not have very many vendors show up, again we still did good.

After the show, we tried something new. Instead of going out to a restaurant, we ordered subs, cold cuts, fruit platter and accompanying sides. What a success. We all sat around the tables, eating and talking with and among ourselves. This gave us all the chance to sit back and unwind and just enjoy each others company, again great idea, lets go on a ride and do it again in a park somewhere.

I know that I cannot thank everyone by name for the job that you did, but we had 31 people show up to work the show, just goes to show what we can do when people really care, but I know who you are and you have made me and America's Corvette Club very proud. Thanks you all again for a job well done.

Bill Valentine

Carlisle, Pa**

RENEGADE CAR SHOW
January 9, 2011

Congratulations to John Browning and the Renegades for putting on a great car show. They had over 211 cars and beautiful weather for their show. I can only hope that we will be as lucky with our show.

We had a great showing with 14 cars in attendance, and as normal, our cars looked fabulous with five of our members winning awards for their cars.

Our thoughts and prayers go out to Larry Bingaman. On January 22, 2011 Larry went into the hospital for open-heart surgery. He had a quadruple bypass and is doing well.

Also condolences go out to Louisann Warner and family on the death of her husband, David, a fellow member of ACC. He passed away on January 13, 2011 due to complications from his Chemo treatment.

Corvette Trivia

Did you know

That the first emblem for the Corvette actually had a U.S. flag in it? But 4 days before the Corvette was introduced, GM Management said they had to remove the flag because it was improper and illegal. So they quickly replaced the U.S. flag with the red Chevrolet bow-tie and fleur-de-lis.
