Sunday Brunch @ Bradley's in WPB

Penny put together a great cruise to Bradley's in West Palm Beach. We all met up at TD Bank for this brunch. You can see by the crowd what a great turnout we had. Harley Earl had a few cars from his collection to view. We ended up joining the West Palm Beach Corvette Club for the day.

RM AUCTION
MARCH 4TH - 6TH

I can never give enough praise to the members of ACC for what they do to promote our Club. The turnout for the RM Auction was more than anyone could have expected. I was only able to be there for two days, but everywhere I looked, I saw our members giving their time for the betterment of "their" Club. I cannot name everyone who was there, but we all know who you were. For those who have never seen an auction up close, it really is an experience to behold.

There were a lot of fantastic cars there that I'm sure brought back a flood of memories to us all, I know it did for me. Again, thank you all for giving your time and effort. This is what makes America's Corvette Club, "the Club that it is", and the members that make it up are its life line. Wherever I go, I will always be proud to say that I am member of ACC, and its members are my friends.

SUNSHINE CORVETTE CLUB CAR SHOW

MARCH 13, 2011

VENICE CAR SHOW
MARCH 20, 2011

Great day, great company, great weather, and a great show. We had six members from ACC make the trip over together. Victor and Stacey did not bring their Corvette, but followed us with their Escalade.

Tom and Penny, Barry and Pam, won trophies for their cars in their classes (Pam really enjoyed herself and now wants to join the club also). The judging was very strict with up to four judges on each car. They even went so far as getting on their hands and knees and looking up under the cars for dirt, so to win, meant your car deserved the win. There were 156, all Corvettes, in the show.

Anyone though says ACC is not an eating Club has not hung around with us for very long, although on Saturday night, over drinks, we spilled a lot of family (juicy) dirt with each other. Every time I looked around, we were eating something somewhere. We even stopped at Porkeys BBQ on the way back for coffee and cake before finishing the trip home. It just goes to show that, it is easy to have a good time with good people.

Bill

I want to thank everyone who went to the Sunshine Car Show Sunday. We ended up with eight cars in attendance. It was a great day, the weather was just perfect, the cars were beautiful, but best of all we had a good time spending the day with friends. Our Club shared Club participation with the Renegades, and won \$50.00. Just about everyone won a trophy for their cars, a great showing.

We started out with breakfast at Cracker Barrel, went to the show, and ended with dinner at Brimstone's in Pembroke Pines, a long day but a fun day.
