On June 4, 2011, we met up with the Renegades Corvette Club at the Lake Worth Plaza for a run up to Port St Lucie to meet at the Cornerstone Bistro restaurant. We had 12 cars in attendance, which I thought was a good showing and there were 37 total cars on the run. It must be an impressive sight for all the people passing us up on the road to see all these beautiful cars going down the road together. It was a nice dinner cruise, although there was some of our members that were not completely satisfied with the food or the service, it was still a nice get together with our friends from other clubs and our Club members. I think this is what the majority of our members want, nice cruises and get together with friends. Put your thinking caps on, and let us have some more of these.

Cornerstone Bistro June 4th, 2011

Fellow Cruisers & Diners:

Norma & I had a good time at the Cornerstone Bistro cruise & dinner. ACC had 12 cars & 24 members in attendance and everyone appeared to enjoy themselves. Except for the fact that we all arrived at the same time and overwhelmed the waiter staff. I think it was a very nice event.

You cannot beat an afternoon with good friends, good cars, & good food.

It really was a lovely day. The Cornerstone restaurant was not prepared for the huge crowd and should have had more staff on call. However, everyone had a great time and it was so wonderful being together. We have to do many more cruisers like this.

LAZY DAYS

June 26, 2011

What a great time everyone had. We all met up at Herb's shop before we all caravanned to the Lazy Days Restaurant in Islamorada. What a sight to see 15 Corvettes of our club members cruising in a beautiful rainbow of colors to the Keys.

We all had a wonderful lunch at a fabulous restaurant before heading back to reality.

Thank you Herb's for this wonderful cruise and we all look forward to the next one.

CONGRATULATION GO OUT TO JOHN & DENISE JESELNİK 🌹 ON THE BIRTH OF THEIR NEW GRANDSON. 🎉 YOUR FRIENDS @ AMERICA'S CORVETTE CLUB 😊
