Introducing....America's Corvette Club

America's Corvette Club (ACC) was founded on March 17, 1983 and is sponsored by Maroone Chevrolet of Fort Lauderdale. We are a club dedicated to "Corvette-ing!"

Our members are well known throughout Florida and in other states due to our participation in other Corvette Club's car shows and other organized functions. We participate in social events which include picnics, parties, dinners and parades. Members participate in as many or in as few events as they wish. A typical car show is a display of Corvettes which are judged for beauty, cleanliness, and perfection in various classes, such as Stock, Modified, Street, Custom, and Wash & Show.

Now that you have the car, we believe it is important to enjoy it, and all that goes with owning America's most popular true sports car. Owning a Corvette of any model year makes you eligible for membership in America's Corvette Club. Whether you join for the social events, local car shows, our annual ACC sponsored car show, you will treasure your membership. ACC members are from all walks of life, all drawn together by this special car. Together we represent a great deal of knowledge about the car, and are proud of our members' technical knowledge of the various year models.

If you are interested in learning more, please visit our website at www.americascorvetteclub.com, e-mail us, or call our **HOTLINE** (954) 430-8383 to leave a message. ACC meets twice monthly, the first and third Thursday. Our first meeting is held at 7:30 PM at Maroone Chevrolet located at 1300 N Federal Highway, Fort Lauderdale (just North of Sunrise Blvd). Our second meeting is a social dinner held at a local restaurant unless otherwise specified. Details can be found on our website. If you desire more detailed information, please contact:
