OCTOBER 1, 2011 6TH ANNUAL OKTOBERTFEST ALL GM SHOW

What a great weekend. The weather was just fantastic and the car show was so relaxing. We had about 9 cars and parked under the trees with a breeze. The Holiday Inn Express, Silver Springs was just lovely and some of us enjoyed the pool on Friday. It was a great weekend had by all. John Osley . . . keep those pictures coming!

- Marked in **Yellow** – CLUB EVENT

Those of you who missed out on this great weekend event missed one of the best times in cruising with your fellow club members.

Several of us left Thursday and met for lunch at Brewzzi's in Boca before cruising to Silver Springs. We got in just in time to clean up and meeting at Olive Garden for dinner. The next morning we got up bright and early to go to the NPD show room where there were probably 100 show cars to enjoy. A few hours later we caravanned the back roads through horse country to Cedar Key for lunch and spent a few hours enjoy the quaint coastal Key. We all went back on our own but lagging behind while we watch Victor and Tom racing their Corvettes to see who was the fastest. You will have to talk to Victor & Tom to hear who has the great tale on who won.

We relaxed around the pool for a few hours before having dinner at Outback Steakhouse where the food was so so—not too good in handling a large group of 22.

Saturday was the car show at Silver Springs—great weather—awesome friends—good fun for all. Silver Springs is a beautiful park and hope that it will be around next year for the NPD car show. They had 1070 cars this year. We ended up having dinner at Harry's Seafood Bar & Grille. Good food, great prices & a definitely the place to go next year.

Sunday, most of us went to Russell Stover's Outlet store for some goodies. At least this year we didn't hear them say to Bill & Larry, "Boy's, don't you think you've had enough!"

We ended up at Cracker Barrel for dinner before heading on home. All in all, it was great fun and looking forward to next year.

Silver Springs Car Show - The only thing you could do to make it any more perfect, was change the name to Gold Springs Car Show.

The weather was so absolutely fabulous you could not have dreamed up a nicer weekend to get away and relax with friends.

I was told that there were 1074 cars in attendance, and if you were there and walked among the cars, it definitely would have brought up a ton of memories about times gone by.

Some of our group went up Thursday for a run through the country on Friday to see the museum and have lunch and outside of being a little long, I was told that the trip and scenery was just beautiful.

Carolina and I came up Friday and 20 of us went out to dinner with Larry & Susan's son and his wife joining us (you should see his truck). Saturday night, again out for dinner, and everyone blew the hell out of their diets for the weekend, we looked like a bunch of little piggies walking around.

On the way home Sunday, of course, a necessary stop at the Russell Stover Candy factory and dinner at Cracker Barrel (again OINK-OINK).

I heard rumors that the park may close down due to finances next year, sure hope not, we need places to go to like this, and its history can never be replaced.

Again, a wonderful and safe weekend was had by all, cannot wait until next year.

-Bill V-

It was a great weekend with lots of laughs, good food, and great friends. Weather was delightful. Penny & Tom

Our prayers & Condolences go out to Judy & Arnie Miller for the loss of Arnie's brother Kenny who was 58 years of age. He lost his battle of cancer this week.

With Deepest Sympathy to the Millers

Our thanks to Victor and Stacey for inviting us to their Car show.

The weather was just perfect. We had 13 cars in attendance and eight of us took home trophies.

We picked up some great ideas for our Show from the Broward County Sheriff's Dept. We talked to Chief Al Lombertti about bringing some of their equipment, cars, and the bounce house to our show, and the response was overwhelmingly positive.

With these additions, along with our regular vendors, it will make our show even better than it has been in the past.

Don't forget, we need all of you for continued success.
