September 3rd, 2011 Gold Coast Car Show

For those of us that were able to attend this show, a great time was had by all. It was a little hot, but overall the weather was just perfect. Swimming at the pool and sauna was very relaxing to some and when we went to the buffet, we all ate like there was no tomorrow. The food was good and plentiful. There was a DJ playing there that was just fabulous, and we are checking into seeing if he can play our Show.

We had 11 cars that made the show, and Jim from Gold Coast thanked us very much for our participation. There were 20 trophies given out for Best of Class, and we won 4 of these trophies, in addition, Larry and Judy Coe won a certificate for dinner for the resorts Best Choice car. This just goes to show people what a great club America's Corvette Club is, and what GREAT cars we have in our Club.

Keep up the good work and like Corvette owners say "Save the Wave".

The Renegades picnic 🥳, I had a good time. John & Sue did a great job. John did a great job on the BBQ. Plenty of food. The only thing is the pig was hungry and ate 🍏 the apple in his mouth. America's Corvette Club came through again. We took up 2 tables. Everyone got along.

Our Anniversary Dinner/Dance was a lot of fun for everyone. Of course, we need name tags in order to recognize everyone with our change of attire. The Lighthouse Point Yacht Club was great for our event. The food was fabulous, the atmosphere was awesome and next time WE WILL get a better DJ. Looking forward to next year's event at the yacht club. Great job Joe and Penny and her crew did a marvelous job with the decorations.

RENEGADE PIG ROAST
SEPTEMBER 17, 2011

We just spent a fun Saturday afternoon with our friends at the Renegades pig roast. There was more food to be eaten than small army could handle. Although it was a bit hot, (an understatement to say the least), we still had a great time. We had 17 of our members show up at the picnic, which goes to show John Browning that we respect him and enjoy his Club.

There was plenty of beer and wine to be had. I thought the pig was roasted to perfection and all I saw was people doing more eating than drinking, and I definitely was one of them. It just goes to show that what they say is true, ACC is a Club that enjoys its stomach.

ACC ANNIVERSARY DINNER/DANCE
SEPTEMBER 10, 2011

What a fabulously great night out we all had at our Anniversary Dinner. For the first time at a new place, the food was delicious, the setting was just perfect and the atmosphere could not have been better. The music was just so-so, but that one thing could not put a damper on the rest of the night.

Joe Tosta could not have picked a better place for dinner and Penny Todaro and those who helped her with the table settings, we could not give them enough "THANKS" for a job well done.

We had over 60 people in attendance, which was the most we have ever had for any of our Anniversary Dinners held anywhere at any time.

With Steve and Leslie Melvin back with us, Steve and Ann Torp in attendance, our regular Club members, and all our new members, it is just proving that our Club is back on the right track.

I would like to THANK everyone who made our dinner the event that it was, and just want to say that I am very proud to be a member of America's Corvette Club.

What a month of September it has been for ACC..

We went to the Gold Coast Vettes Show at PGA Resort over Labor Day Weekend and what a fab time was had by all. Most of us went Saturday and stayed overnight. We enjoyed the facilities of the hotel pool, spa restaurant etc.

The Sat evening bar-b-gue was great and the car show on Sunday was enjoyed by all. ACC got a least 4 trophies and we are looking forward to next year.

What a great Anniversary Dinner at Lighthouse Point YACHT Club. Everyone was dressed up. The food was fabulous. Penny and friends did a great job on decorations. Joe Tosta had nothing to worry about. It turned out fabulous and I hope we can do the same thing next year.

A lot of us went to the Renegades Pig Roast on Saturday Sept 17th at CB Smith Park. Plenty of food and drink and great company. It was hot and steamy but we all had a lot of laughs. Next car show at Coral Ridge Mall and Silver Springs...

Dear Fellow Members,

It's time again to dig into your closets and attics. We are starting to collect things for our Auction, new/used as long as it's in good shape. Remember your junk is someone else's treasures. Please start saving them and bring them to the meetings. It takes time to register everything. There is no limit on how much--the more we support our club, the more money we get for our club.

Thank You.

MAROONE FORD of Ft. Lauderdale
4th Annual Charity Benefit Car Show
October 22, 2011

Don't forget to sign up for this car show. We are going to make this a club event. They support our club and we need to support them.

The Anniversary Dinner was one of the best, other than the D.J. The food was great, the service was the best. Joe, you did a great job. We should do it again next year. Great Food, and great friends. The room was just right everyone got to talk to each other.

Gold Coast Show was one of the best Shows we have been to in a long time. We had a great weekend & I know we are going to it next year. Those that didn't stay over or go you need to make sure you go next year. The food at the cocktail hour was great, the D.J. Anthony was the best I hope we can get Anthony for our next year Anniversary Dinner.

Larry & I wish to say thank you all for your kind and supportive embrace during our difficult time with our son-in-law's illness. I was a nervous today, as my shrieking at any person who touched our car today can attest to. Really folks, you all have become dear to us and we appreciate your caring so very much. His transplant is tomorrow, so keep the prayers going hot and heavy.

Larry and Judy Coe

ACC Friends:

Norma and I had a great time at the Coral Ridge mall Show. By all appearances, it was a great success and each of us made it the success it was. I had plenty of people come up to me saying we all had such beautiful cars. I did and do agree.

Jim Brackett
 Competition Committee

Greetings All:

Mickey & I had a really nice time as well. I enjoyed chatting with some of the mall visitors and Club members and Mickey had a full day of shopping. A big thanks go out to all who participated and all who made the arrangements with the mall. Photos are up on the website as well as the ones from the Anniversary Dinner. Go to www.americascorvetteclub.com & click the link to our Photo Album in the menu bar. Once there, you can view a slideshow or click individual pictures. If you look to the bottom of the screen when in a particular photo album, there is a link to view the album on Flickr. If you click the link, you can then download the file by clicking the Action button and view all sizes. I will put together a small PDF outlining the procedure and distribute it shortly. In the meantime, enjoy!
