Thank you -- Thank you -- Thank you

I want to give my heartfelt thanks to all the members of America's Corvette Club for a job well done!

In my opinion, this was the best Show that we have put on in many years, and the credit goes out to all of you. I know that you all worked very long and hard to make our Show a success.

The response that I heard all day was "what a great show and we cannot wait until next year".

The show cars were just fabulous, and I think the set-up was perfect, (much better than last year).

When I talked to the vendors, especially the food vendors, they said that they were very satisfied and cannot wait to come back again next year.

We ended up with 168 cars. I was a little disappointed, with the great weather, I thought we would have more cars. Unfortunately we had to compete with another show put on by the Music Man down south, so that hurt us a little, but we still had a great showing.

The dealership could not have been more accommodating, thank you Peter Small, as was the Broward County Sheriff's Department.

I'm sure we all got some much needed rest Sunday, I know I did. Now that the work is over, it's time to sit back, enjoy, and have fun.

Again, thank you, my hand goes out in friendship to you all.

Renegade Car Show  
January 8, 2012

Renegades Car Show:

What a beautiful day. The weather was great, it was nice and sunny. I could pick a better day for our Car Show, I would want the same for us.

They had 235 cars sign up for their show and we had 17 cars in attendance and it just showed the Renegades what respect we have for them.

Three of our members won awards for their cars and Carolina won a free week-end for two in the Keys, (hope she takes me). John Jeselnik & Carolina took home the trophies.

After the show, 9 of us went to Lattas for dinner and it just topped off a fantastic day. We should have more days like this, not necessary the car show, but the getting together.

**Karsten Schutze July 1, 1959 – December 18, 2011**

I would like to thank all our Club members that were able to attend and extend their respects to Anneliese at the remembrance of her husband and our Club member, Karsten.

Anneliese told me that she was very touched at the out showing of love and respect that was given to her in her time of need.

She told me also that she wanted to stay in the Club and it was Karsten's wish to remain a member of ACC.

This is what the meaning of true friendship is, the standing beside one another when the need is there.

It's been a pleasure to know Bob for the past 20+ years. We always had a great time cruising to Corvette Shows & boating to the various marinas & cruises (boat club) where we first met Bob & Karen. Bob was a great friend, witty, & just a lot of fun to be with. Bob will always be traveling with us in spirit. So until we meet again, farewell to a long time friend. You will be truly missed by us all.

God Bless
