March 11, 2012 FISH HOUSE

Thank you Penny:

This past Sunday the 11th, eight cars and 14 of us went down to Key Largo for lunch at the Fish House. As usual, the weather man was wrong again. He said 30% chance of rain, "wrong", the weather was great, car tops down and a great ride.

After that, we stopped at the flea market and looked around, some of us spent a little money and then we took the scenic ride home on Card Sound Rd. For those who thought about going but changed their minds, wrong choice.

We have a lot of members in the Club, it's all of our jobs to find a place to go on the next run (where would like to go, east, west, north or south coast), it's your turn, make a suggestion.

APRIL ACC Meetings
April 5th, 2012 and April 19th, 2012

Hi Everyone,

I'd like to thank all of you who attended Bob's Celebration of Life.

It meant so much to me that you would share our life together.

I only wish we had not dropped out of the club, but so glad we re-joined.

For the few who didn't know him that well, he was a pleasant, intelligent man who loved boats and corvettes.

When I met him he had a silver '65 stingray with side pipes and knock offs. Not sure if it was the car or him I fell in love with. (Just kidding).

Anyway, thank you again for all who attended.

Karen

TIRES FOR SALE

I am selling Goodyear Eagle F1 Super car run flats that came off my car. They are 1 ½ years old and are in great shape. No flats, 275/35-18 Fronts have 6/32 tread and 325/30-19 rears have 5/32 tread. New tires have 8/32 tread.

I am asking \$600 for the set. Tire Rack sells fronts for \$425 each and rears for \$476 each plus shipping. These are Grand Sport/Z06 sizes.

NCRS - Wonderful World of Corvettes

We had a great time in Orlando. This was the first time that we attended the NCRS/Wonderful World of Corvettes event. The weather was perfect and it was great spending time with members of ACC. After a day of "everything Corvette", we had a delicious dinner, ice cream and then a fun filled night at Blue Max Tavern. A special THANKS to Herb for coordinating the Saturday night dinner.

Corvettes in Venice on the Isle

March 17th & 18th, 2012

What a GREAT time we had at Corvettes in Venice. Karen & her friend Tom, Larry and I drove across the Alley and had lunch at Cracker Barrel before arriving in Venice at a brand new Fairfield Inn. We spent the afternoon in the pool and meeting new Corvette friends who arrived for this function.

The Venice Corvette Club had a wonderful dinner for us – chicken, pulled pork, cornbread, coleslaw, and baked beans. The food was really good. Karen and Tom went to a nightspot and Larry and I got gas and ended up at Dairy Queen where we met up with a really nice couple from The Villages. They were also from Michigan so we had a lot to talk about.

The day of the Car Show, we joined up with Norm Goodman & his wife Mary for the day. First we had to pick Tom up from another hotel and off we all went. We had a great spot to park our Corvettes and off we went for breakfast at Althea's before getting back to cleaning our cars. Larry and I didn't do too much with the cleaning, as my car is a daily driver so I didn't care. Karen's Corvette was spotless but she didn't receive a trophy. On the other hand, Norm ended up with 2 trophies. He was only in wash and shine but also received a Judged trophy as well. Who figures!

Karen, Mary and I went to Brighton's and bought more goodies for ourselves. We do need more goodies! We had lunch at TJ Carney's Pub where the food is always good.

We said goodbye to Norm and Mary and left for home around 4PM. We had a FUN weekend, enjoyed our Corvette friends, the weather was awesome, the food exceptional and looking forward to going next year.

Remembering Bob Siffermann

What a great turnout we had from our Club members at Bob's wake. Bob was a wonderful friend for over 22 yrs. and will truly be missed. Old friends and members from two different boat clubs all joined in to remember Bob.

MEETING

Meeting held at Maroone

50/50 Winner is Larry Bingaman

Voted In: Steve & Ann Torp as honorary members for 2012

RM Auction:

What a success this auction must have been for RM, a lot of beautiful cars, some at great prices, some high.

No matter how they did, our Corvette Club made us proud. Wednesday we had two and on Thursday we had three people show up, Friday we had eight people show up, and on Saturday we had nine of our members show up. I don't know how much money we made for the Club but Peter thanked me and thanked our Club for their participation and the work we all put in. For those who were able to work this year, pat yourselves on the back for a job well done. For those who could not make it this year, there is always next year.

After we worked Saturday night, six of us went to Lattés for a St. Patty's Day corned beef dinner.

A long day and night, but it was well worth the effort. My thanks to you all.

Fellow ACC Members,

I see there are some members already using the registration page created by Herb. That is great.

I see another use of this web page as a "Sign-Up Sheet" replacing the sheets passed around at meetings. Not all events will be on this registration page, but those that are of interest to many members will be placed here and may help to determine which events should be club events. I encourage everyone to use this page.

The next club event "Corvettes on Clematis" has been posted on the registration web page. Please register on this web page if you plan to attend.

Note: This web page does not register you for the show or event. It is only used to see who are going to the show or event.
