Stuart Car Show

April 29<sup>th</sup>, 2012

Mother Nature turned the day into lemons, but again our Club members turned it back into lemonade.

Since we could not go on a cruise, we decided to have a get together at Champs. Twelve of us showed up and had a great lunch and from there some of us went over to the Festival Flea Market to waste some time, walk off what we ate and spend a little green.

Again we turned a bad situation in to a fun day.

Joe Tosta talked with the Stuart Club and they are going to send us who registered our goody bags, nice gesture on their part.

Thanks again you all. Bill V.

SARASOTA, FL. May 5, 2012**

The Sarasota Car Show has come and gone and we had a ball. Karen Siffermann, Susan and Larry, Tom and Penny, Barbara and Larry and friends of Karen, Carol and Dave, all met on Alligator Alley at 9:30am and convoyed up to Sarasota stopping along the way in Ft Myers for lunch at Cracker Barrel . . . Carolina and Bill and Vic and Stacy met us at the hotel at 4pm. The show was okay but the best part was the trophy won by our own Bill Valentine. It took 3 people to carry this trophy and take it home. I hope that Bill brings the trophy (if he can get it in his car) to the meeting so everyone can see it. We had some great weather, good food and good friends. Same Time Next Year.

Susan Bingaman

*It's good to be the BIG trophy winner!*

Sarasota - St Armand's Circle:

What a fantastic weekend we just had, the weather was just beautiful. We could not have planned anything any more perfect than it turned out. With the pool right there, the Gulf at our fingertips and the sunsets, what more could you ask for.

We had 11 members go to the show. We were joined by Dave and Carol (friends of Barbara and Karen), Norman and Mary (past members of WPB club). To our Clubs benefit, both couples want to now join ACC.

Victor and Stacy, Carolina and I trailered up the Budweiser car and with everyone's help, I took home a trophy (I now have to build on a new addition just for this trophy), again no one does what or puts on a show like ACC. In my opinion, the only draw back with this years show was that they gave nothing away and had no shirts to buy, all they did was collect money for their club.

Since I missed the last two meetings, Susan was kind enough to supply me with the following info:

We received payment from RM Auction in the amount of \$609.41. Where the .41 cents comes from we don't know so Bill was going to call Peter Kline who ran the auction.

Joe Tosta would like the Corvettes around the circle at the Yacht Club for the Anniversary Dinner on Sept 8<sup>th</sup>.

We will know sometime in June about the car show at Coral Ridge Mall.. The Mall is currently going through a complete renovation and Toby Holland is not sure if it will be ready in September. She will let Susan Bingaman know in mid June.

Walt Fralik is arranging an America's Corvette Club Race at Calder Race Track on Saturday May 26<sup>th</sup>. This will be a club event so where your club shirts.

The picnic was a huge success. Thanks to Penny and others the food was great, the weather was great, and good friends had a great time..

FT Lauderdale Mustang Club has invited ACC on Saturday night June 9<sup>th</sup> to a Marlins vs Tampa Bay Rays baseball game at the new Marlins Stadium. Contact Victor Jovi if you are interested.

On June 24<sup>th</sup> the Wings of Gold Motorcycle Club is holding their Annual Stars and Stripes Motorcycle and Car Show at the Quarterdeck in Davie. It should be fun show.
