- Way to go Walt -

Great planning and a great outing. A lot of work and many phone calls went into making this day a total success. Thanks again Walt!

There were 21 cars in attendance and the way that they were displayed by years, really stood out.

The first car in line was Vic and Stacy's new '61 convertible (he also took 2nd place, chosen by the jockeys) and the last car in line was Herb and Mickey's brand new 2012 Centennial ZR1.

Besides our cars, Walt had some of his friends bring 4 cars over from the west coast, (a real nice gesture of friendship on their part). Joe Hernandez took the trophy with a 1966 Laguna Blue/White interior Corvette

Calder Race Track named the 4th race after America's Corvette Club, and they had the Club's picture taken in the winners circle. Pictures are being made up with a nice plaque also being made up for display in the dealership.

Again it was a nice change of pace, something we haven't done before and talking with everyone throughout the day, I'm sure all had good time.

To all members of America's Corvette Club:

I'm sorry to have to report that Karen Siffermann's mother passed away this afternoon at approx. 4:00pm. Please keep her in your thoughts and prayers, in this her time of need.

Carolina is still in the Philippines as her mother is also very sick. Please say a couple of extra prayers that with God's will she may have a speedy recovery.

The loss of any family member is a traumatic experience that we can never forget, and it takes a very long time for the heartache to subside.

Barbara's brother, Walt, has bone cancer through his body.

Marlins Baseball Game – June 9, 2012

Thank you Victor and thank you Derrick (Victor for putting the event on and Derrick for getting us the two buses).

It was a very pleasant and different diversion from that we do for enjoyment. We had 41 people in attendance to go to a ball game and see the new stadium. Half of the people were from the Mustang Club and the rest were from ACC. It's always nice to do things with other Clubs.

Everything was just perfect except for the outcome of the game, (Tampa Bay 13, Miami Marlins 4). Thank goodness for the Heat, they won game 7, 102 to 88.

The new stadium is just fabulous, and after the game, they rolled back the roof and had a great fireworks display.

It was a late night out, but I think that we all enjoyed the evening. This is exactly what we need, more suggestions from everyone.

Social was held at Tropical Acres Restaurant. We had a HUGE turnout of 34 members. I think the servers were a little overwhelmed but we all had a good time.
