Joe DiMaggio Children's Hospital Donation:

We finally were able to set up a date and time for our donation to Joe DiMaggio's Children's Hospital.

We met with Kate Rodriguez, who is the events coordinator for the hospital, last Thursday at 1:30pm. We were not able to meet with any of the children because she said our group was too large. I'm glad that she was happy with our showing of the Club members. We did have 11 of our members show up for the presentation, and I thank you all for taking the time out from your busy schedule to meet with us.

Kate thanked us and told us that our donation would go into their next quarterly newsletter with our picture of all that were there, and thanked ACC for the monies, as it will go to a very worthy cause.

JACK'S BURGERS CAR SHOW

JULY 21, 2012

What a great time we had at Jack's Old Fashion Hamburger House. We didn't arrive until a little after 5PM because of the hot weather. When we arrived it was packed and we almost didn't get a parking spot. They had over 100 cars for their first car show plus music. We received a 25% discount on all food that was really good. We also ran into Steve and Ann Torp and a few others who used to belong to our club. All in all we had a great time and would go again next year.

Immokalee Corvette Show

July 21, 2012

Saturday afternoon, 8 cars met at Herb's store at 1:45 PM for the ride over the alley to the Casino Corvette show.

The weather was a bit cloudy but the ride was nice and pleasant. We arrived around 4:00pm, parked and cleaned our cars a little, then went into the Casino for a "FREE" lunch and or dinner. We were also given \$20.00 "FREE" players vouchers per person to play with (don't know about anyone else, but Carolina and I won nothing).

I was told that they had 117 cars in attendance. A people's choice show so you know which clubs won the 10 Best of Show trophies.

We left around 7:30 PM. Everyone got home safe and sound so the trip I thought was very enjoyable. Looking forward our next outing.

Our thoughts and prayers go out to Tom & Penny Todaro who's son, Michael, had a stent put in & did not need open heart surgery. He is doing well and looking forward to a speedy recovery.

Tom & Penny wish to thank everyone for their calls & e-mails. They were greatly appreciated.
