Renegade Picnic

The Renegade's put on a wonder picnic for all their Corvette friends. They really lucked out with the weather as most of us had rain when we were leaving home. They had a great turnout for this event and the food was very good.

September 16th

Coral Ridge Mall Display

We had a good turnout for displaying our Corvettes at the Coral Ridge Mall. Everyone had to wipe down their cars since we had rain---again. It was another **l o n g** day but we enjoyed everyone's company.

Coral Ridge Mall:

What a great way to hold a show, inside and with A/C. Although it was a long day, I think for the most part, everyone was happy. I know from what I heard from the spectators, they thought our cars were just beautiful.

With thanks to Norman for bringing 3 of his friends along, we had 15 cars in attendance.

Toby Holland was very satisfied with our turnout and said she cannot wait until next year.

My thanks to those who attended because it makes our Club look good.

Social

Our Social-Meeting was held at Meyer's Latin Bistro in Coral Springs. We had a good turnout (food is the magic word) but the service was slow.

We changed the next ACC meeting to Oct. 2nd since most will be going to NPD Car Show leaving Thursday. The meeting will be held at Maroone Ford - across the street from Maroone Chevy.

Sign up sheet for our car show committees was passed around. Sign up for what you wish to do for our show or Herb will assign.

We voted into our club Frank and Donna Montagnino as new members.

**GOLD COAST CORVETTE CLUB CAR SHOW - WPB
SEPTEMBER 23, 2012**

PGA was great! We had a fantastic time—lots of laughs with great friends. If you didn't go you missed a great weekend with all the clubs mingling together all night, dancing, and enjoying all day 'n night together. If they have the show next year, you really have to go.

Norm got a trophy and Tom got best of his class.

Tom and I feel this is the MOST enjoyable show of all. Everyone got along great.

Very Important:

We must have input from all our members about our 1st monthly meeting in Oct. As many of you already know, the meeting room at our dealership is still under construction. Victor has gotten us permission to hold our meeting at the Ford dealership across the street from Maroone Chev. on Tues. Oct 2nd., all other dates that week are out.

This is a very important meeting. We have to discuss nominations for the new board, (whether we are going to hold them or not) and the car show chair committees.

Food is important to allot of us, so if we can handle this date, pizza and soda will be served. I must know how many will show up so I can order the food correctly.

Very important, please do not ignore this e-mail, answer it one way or another, positive or negative.

Please call or e-mail me, Bill- 954 610-5158

Dear Fellow ACC Members:

Due to scheduling issues, the next meeting will be held at Maroone Ford NEXT TUESDAY, OCTOBER 2nd. This is across the street from Maroone Chevrolet where we normally hold our meetings. Our President, Bill Valentine, has already sent an e-mail with this information. We will have pizza as an incentive for everybody to attend. PLEASE REPLY TO BILL!!

This will be a very important meeting. The two main topics will be nominations for next year's Board and first discussions about our upcoming car show January 19, 2013. All of the committee chair people have been selected and many members have already signed up for the committees. I have attached a PDF listing who has signed up so far. PLEASE REVIEW THE LIST AND REPLY TO ME AS TO WHICH COMMITTEE YOU WOULD LIKE TO WORK. Everyone must do something so by volunteering, you have your own choice. If you don't choose, you will be assigned to a committee. Your participation is key to the success of our show.

Construction at the dealership is complete and we will be brings back the Sheriff's Department and many of the vendors we had last year. I will be soliciting more vendors and more food trucks.

Let's try to make this the biggest and best show yet and raise more money for Joe DiMaggio Children's Hospital Foundation.

See you next Tuesday.
