Greetings Everybody,

I have received many inquiries regarding how to use the website. In order to sign up for an event, which would be nice if everybody did, you must log in using the user name and password assigned originally. You will notice the login spot in the left sidebar. In case you don't remember your login credentials, they are your first name and last name without a space. For instance, mine is herbJacobson. Everybody's initial password was "password". Unless you changed it, you should be able to log in. I suggested everyone change it to something they can easily remember but it was not mandatory.

Completely separate from this feature is our password protected Members only page. This page contains our bylaws and member roster. If you don't remember the password for this page, you need to call me as I will not send it in an e-mail. (Hint: it starts with the standard Corvette engine since 2008.

I hope this helps and I hope you find the website useful and informative. It takes a fair amount of time and effort to keep it current and fresh, not to mention the time that Jim Brackett puts in compiling all the events and sending our e-mails directing you to the sign up sheet on the website.

Herb Jacobson

Susan is doing well, I saw her today as many other days while in the rehab. Susan is progressing nicely. She graduated to a walker that she can only use in her room. Susan goes down in the lobby all day after her intense rehab. Larry is always by her side. Susan was in a lot of pain Saturday but never complained about it, She is a good egg. Susan will be in Rehab for another 2 wks will not leave till she can walk out on her own. (Good for her) Her spirits are high, And again thanks all who have called sent cards & came to see her. If you would like to call Susan her # 561-2136-7245. Just to show her you care.

With Regards Penny & Tom

Howdy it's me again.

I have an update on Susan. She is doing very well. Susan is using a walker now. She is having a good day with her Gay Nurse. Susan told me a story today I laugh so hard and so did she. I'm sure she will tell you about when she sees you.

Susan is going home this Saturday and will have a caretaker for 3 wks at her home, then go back and have her therapy back at rehab. a few days a week. We look forward to having Susan back at our meetings. Susan hasn't complained once and all the Nurses and aids will miss her she has been such a pleasure there, that everyone loves her. A lot of entertainment and they enjoy Susan singing along with them. Susan will miss them too, but also wants to go home

Regards Penny

Dear Fellow Members

Our deepest Sympathy goes out to Carol & David Schroeder, on the passing of Carol's Uncle Sunday morning. Carol's uncle was 104 years young. He lived along life and saw all the changes in this beautiful country some good some not so good. May Gods bless him on his Journey to heaven? May Peace be with him, and his family.

With Deepest & Sincere wishes
Your friends ACC

Our Prayers and deepest Sympathy goes out to Joe Tosta and family, on the passing of his mother. May she Rest In Peace.

With Sincere wishes from you ACC friends

Social at Bobby Rubino's in Pompano was a huge success. We had another record turnout. We certainly do love to eat. Thank you Penny for setting this Social up. The food and service were excellent. Now, if you could only have a great turnout for our meetings! That too would be great.

I am happy to say that Susan is home. Susan is doing well. She has done everything they have told her to and is on the road to full recovery. We hope to see her at our next meeting.

Larry got his back fixed Friday, lets hope this time it works. Best of health to both.

Regards Penny

MANGROVE MATTIE'S August 29, 2012

We had a great time at mangrove Mattie's for dinner on the waterfront. We all met at TD Bank on Palmetto and took a leisurely drive to the Coach Outlet before going back to Fort Pierce for dinner. The food was excellent and for those that went, it was great company.
