08/09      Matt Gorman            (Leo)  
08/11      Herb Jacobson        (Leo)

*Leo - astrological sign of the Lion: People born under the Sign of Leo are generous, warm hearted, creative, enthusiastic, faithful and loving. However, at times they are perceived as pompous, patronizing, bossy, dogmatic and intolerant. Like lions, they like to rule. \* [www.pinterest.com](http://www.pinterest.com)*

## August Anniversaries

08/20

Bobbi & E. J Ambrose

Steve and Carol Welsh have recently suffered the loss of a family member. Mr. Thomas Welch the father of Steve passed away at the age of 98. Our hearts go out to Steve, Carol, Steve's mother and family during their bereavement for their beloved parent, friend and husband. Let us remember them in our thoughts and prayers during this difficult time.

Many ACC members have inquired if they could send a donation, (in lieu of flowers), in his father's name (**Thomas H. Welch**), to charity that his father favored. Steve's mother, Mrs. Walsh suggested the following;

**American Red Cross Metro New York North**  
**99 Indian Field Road**  
**Greenwich, CT 06830**  
**(203) 869-8444**

*Make check payable to: American Red Cross*

### ACC has a Visitor from Sweden

Sven Carlesson, a visitor from Sweden recently bought a 1967 small block Corvette. With the help of AutoNation, he arranged to have it shipped to Sweden where he has 64 other cars. He and several other people share ownership in a car-condo where they share the cost of storing their cars. In a country where gasoline is \$12. a gallon cost can add up. He learned of ACC through AutoNation. He wanted to meet some American Corvette owners and swap stories.

Herb Jacobson arranged for Sven to meet with several ACC members at Bru's Room, Federal Highway in Pompano Beach, July 22, at 6:00 PM. ACC members were invited via e-mail to attend. Despite short notice, Herb & Mickey, Victor, John L. Steve & Leslie, E.J. and Frankie showed up to have a brew, a bite and conversation.

Sven sent a thank-you e-mail, which Herb shared. He has offered to support our activities in Sweden in any way and will keep us updated on Corvette activities in Sweden.

## CDTC "Riverwalk Summer Cruise"

On Friday, July 25, twelve members of America's Corvette Club met at 3000 E. Oakland Park Boulevard for the CDTC's fundraising, "*Riverwalk Summer Cruise*". The Liberty Belle is a regal white faux paddleboat that looks as though it belongs on the Mississippi.

Arriving early backfired on people that have a low tolerance for standing in the sand, tall grass and sun for any period. Upon arrival, each driver paid ten dollars to have a valet park the car in an un-mowed lot next to the boat.

The Liberty Bell has four decks with air-conditioning available on each and shade on-deck. Relief from the heat was found upon boarding at 6:00 P.M. Unlimited drinks and finger food were served throughout the cruise. The lines for drinks were long and they ran out of water. Karen & Matt, Lisa & Mike, Valarie & John, Donna & Frankie, Stacey & Victor and Shelley and Derrick, were on deck for the cruise. Sitting in a circle eating, drinking, chatting or standing at the rail watching the

scenery made the time pass quickly as this Liberty Belle cruised majestically down the river and back. ACC members stayed on deck during most of the trip to enjoy the sights. Here they took the opportunity to visit and socialize until returning to the dock.

Our thanks go to Shelley Boroday for the planning and coordinating the involvement of ACC in this charitable event. Shelley went out of the way to provide information about times, dates, tickets and directions. All money raised goes to the CDTC for the

wellbeing of ill children in Broward County and their families.
