Waterways Café Cruise

ACC cruised up to the Waterways Cafe in WPB on, Sunday, July 28th . ACC was seated outside to enjoy the day as they feasted on the wide selection the Waterways Cafe offered. It was a bit hot and muggy but the fans were going full blast to allow diners relief. Toward the end of the meal the skies opened up and dumped a tremendous amount of rain. (*Not an unusual occurrence in Florida during the Summer.*) This allowed a little extra time for ACC to socialize as they waited for the downpour to end.

Leslie took pictures that are posted on Facebook. Lisa was kind enough to send them with the information about the lunch cruise. Unfortunately with the lack of service from Comcast internet in our area they were not downloadable. . (*A thank you goes to Lisa and Leslie for providing the information and pictures for this article.*)
